

# Children's Dental Fee Guide

At **Nonsuch Park Dental**, we believe every child deserves a positive relationship with their dentist from the very start. Our fees reflect the time, skill and genuine care we give at every stage of your child's dental journey. Fees are listed as starting points — a full written estimate is always provided before any treatment begins.

Children's dentistry changes significantly with age — from gentle acclimatisation in little ones to near-adult clinical care in teenagers. Our fees and approach reflect what each stage actually requires.

## Little Smiles - Ages 0–5

Behaviour-led, prevention-focused care

<b>New Child Patient Assessment</b>	Extended appointment — acclimatisation, exam & parent guidance	<b>£65</b>
<b>Routine Check-up</b>	Dental health check with preventive advice	<b>£40</b>
<b>Fluoride Varnish</b>	High-value prevention at this age	<b>£25</b>
<b>Fissure Sealants</b>	Protective coating per tooth (when clinically appropriate)	<b>£40</b>
<b>Preventive Visit</b>	Gentle clean, fluoride & oral health introduction	<b>£65</b>
<b>Tooth-Coloured Filling</b>	Composite restoration per tooth	<b>from £125</b>
<b>Extraction — baby tooth</b>	Complexity and cooperation dependent	<b>from £115</b>
<b>Emergency / Problem Visit</b>	Assessment, advice & initial management	<b>£55</b>

**On the Little Smiles plan (£2.85/month):** 2 check-ups, 2 fluoride treatments & 10% off all treatment including hygiene — compare with PAYG costs above.

## Growing Smiles - Ages 6–10

Mixed dentition — prevention & early intervention

<b>New Child Patient Assessment</b>	Includes X-rays where clinically appropriate	<b>£75</b>
<b>Routine Check-up</b>	Structured clinical exam	<b>£50</b>
<b>Digital X-rays</b>	Per film — often essential at this stage	<b>£15</b>

**On the Growing Smiles plan (£5.40/month):** 2 check-ups, 2 X-rays, 2 fluoride treatments & 10% off all treatment including hygiene — compare with PAYG costs above.

## Teen Smiles - Ages 11–17

Near-adult diagnostics — full clinical care

<b>New Patient Assessment</b>	Adult-level diagnostic thinking & treatment planning	<b>£85</b>
<b>Routine Check-up</b>	Aligned with adult continuing care examination	<b>£65</b>
<b>Digital X-rays</b>	Per film	<b>£15</b>
<b>Hygiene Visit</b>	Professional clean, stain removal & gum health support	<b>£75</b>
<b>Fluoride Treatment</b>	Targeted prevention for higher-risk teens	<b>£25</b>
<b>Tooth-Coloured Filling</b>	Near-adult complexity per tooth	<b>from £140</b>
<b>Extraction — simple</b>	Local anaesthetic included	<b>from £145</b>
<b>Sports Mouthguard</b>	Custom-made, lab-fabricated	<b>£185</b>
<b>Emergency Appointment</b>	Assessment, advice & management plan	<b>£75</b>

**On the Teen Smiles plan (£11.20/month):** 2 check-ups, 2 X-rays, 2 fluoride treatments, 1 hygiene visit & 10% off all treatment — compare with PAYG costs above.

### MEMBERSHIP PLANS

Our children's membership plans make consistent, preventive dental care simple and affordable for families. Regular visits mean we catch small issues early — before they become bigger, more costly problems. **Ask our reception team or scan the QR code in your welcome letter to sign up.**

Little Smiles	Growing Smiles	Teen Smiles
Ages 0–5	Ages 6–10	Ages 11–17
<b>£2.85/month</b>	<b>£5.40/month</b>	<b>£11.20/month</b>
2 × Check-up 2 × Fluoride 10% off treatment	2 × Check-up 2 × X-ray 2 × Fluoride 10% off treatment	2 × Check-up 2 × X-ray 2 × Fluoride 1 × Hygiene 10% off treatment

All fees are correct as of June 2026 and may vary depending on individual treatment complexity. A full written estimate will always be provided before treatment begins.
