

Children's Dental Fee Guide

At Nonsuch Park Dental, we believe every child deserves a positive relationship with their dentist from the very start. Our fees reflect the time, skill and genuine care we give at every stage of your child's dental journey. Fees are listed as starting points — a full written estimate is always provided before any treatment begins.

Children's dentistry changes significantly with age — from gentle acclimatisation in little ones to near-adult clinical care in teenagers. Our fees and approach reflect what each stage actually requires.

Little Smiles · Ages 0–5 Behaviour-led, prevention-focused care

New Child Patient Assessment	Extended appointment — acclimatisation, exam & parent guidance	£65
Routine Check-up	Dental health check with preventive advice	£40
Fluoride Varnish	High-value prevention at this age	£25
Fissure Sealants	Protective coating per tooth (when clinically appropriate)	£40
Preventive Visit	Gentle clean, fluoride & oral health introduction	£65
Hygiene Visit	Gentle clean & preventive instruction	£35
Tooth-Coloured Filling	Composite restoration per tooth	from £125
Extraction — baby tooth (simple)	Loose or near-exfoliating tooth — quick, minimal intervention	from £95
Extraction — baby tooth (firm/surgical)	Firm tooth, retained roots, or extra behaviour-management time	from £175
Emergency / Problem Visit	Assessment, advice & initial management	£55

On the Little Smiles plan (£2.85/month): 2 check-ups, 2 fluoride treatments & 10% off all treatment including hygiene — compare with PAYG costs above.

Growing Smiles · Ages 6–10 Mixed dentition — prevention & early intervention

New Child Patient Assessment	Includes X-rays where clinically appropriate	£75
Routine Check-up	Structured clinical exam	£50
Digital X-rays	Per film — often essential at this stage	£15
Fluoride Varnish	Routine prevention	£25
Fissure Sealants	Core preventive treatment per tooth	£40
Hygiene Visit	Professional clean & gum health support	£55
Preventive Care Package	Scale, fluoride & oral hygiene instruction	£85
Tooth-Coloured Filling	Composite restoration per tooth	from £130
Extraction — baby tooth (simple)	Loose or near-exfoliating tooth — quick, minimal intervention	from £95
Extraction — baby tooth (firm/surgical)	Firm tooth, retained roots, or extra behaviour-management time	from £175
Sports Mouthguard	Custom-made, lab-fabricated	£185
Emergency Appointment	Assessment, advice & management plan	£60

On the Growing Smiles plan (£5.40/month): 2 check-ups, 2 X-rays, 2 fluoride treatments & 10% off all treatment including hygiene — compare with PAYG costs above.
